

# Our Lady Of The Assumption Preschool

April 2019

## Spring Parent Party

The Spring Parent Party will be held on Friday, May 3rd at Ansley Golf Club. All information for OLA Preschool Special Events can be found at

<https://olapreschoolspecia.wixsite.com/mysite-1>

OLA Preschool will use all of the funds donated to this year's fundraising for the expansion of the preschool. With the building of the new rectory far behind schedule, it has been a challenge to acquire the approval to move forward for the preschool. With approval secured, the church will be unable to provide any financial help for the preschool project. The preschool fundraising account will be used for as much construction and renovation as possible. When funds are depleted, the renovations will end. The preschool is fortunate to have a healthy savings from prior fundraising years to begin.

Special thanks to Ashlyn Gioia, Anna Blancett, Sarah Lanpher, Brooke McDonald and Cindy Posta for working many hours on the auction, auction website and the special events page.

Heartfelt thanks go out to all who have supported the expansion and fundraising. The space expansion, increase of hours and days and addition of the MMO was the result of the wishes of preschool parents and parishioners seeking a Catholic early childhood school. With hope and faith, these improvements to the preschool will benefit our parish and allow the preschool to maintain the excellent reputation for providing the finest early childhood learning. OLA Preschool remains the only preschool in the Archdiocese of Atlanta to attain AdvancEd accreditation.

OLA Preschool is pleased to auction a special piece of art by Atlanta artist, Erin Tapp. Erin is a graduate of Marist School and proud aunt of Iler, who is a Buzzing Bee.

OLA Preschool teachers are grateful to all parents and Hospitality chairs, Kim Carey and Jenny Astrauckas, for planning our teacher appreciation lunch on Friday, April 26th at Secreto! Our teachers are so dedicated and work so hard throughout the year. Congratulations to our teachers and families on the unbelievable number of acceptances to OLA School and area private schools!
